#### INDEPENDENT ACCOUNTANT'S REPORT

TO: THE OFFICIALS OF THE STATE BUREAU OF MOTOR VEHICLES COMMISSION

We have examined the Schedule of Collections and Distributions of the State Bureau of Motor Vehicles Commission License Branch Number 57 (Branch) for the period of January 1, 2003, to December 31, 2003. The Branch's management is responsible for the schedule. Our responsibility is to express an opinion based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and, accordingly, included examining, on a test basis, evidence supporting the Schedule of Collections and Distributions and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion.

In our opinion, the schedule referred to above presents fairly, in all material respects, the cash transactions of the Branch for the year ended December 31, 2003, based on the criteria set forth in the uniform compliance guidelines established by the Indiana State Board of Accounts.

## STATE BUREAU OF MOTOR VEHICLES COMMISSION LICENSE BRANCH NUMBER 57 FISHERS, INDIANA NOTES TO SCHEDULE OF COLLECTIONS AND DISTRIBUTIONS

#### Note 1. Introduction

The Motor Vehicles Commission was created to manage the motor vehicle license branches. The Bureau of Motor Vehicles is a separate state agency which provides support services to the Commission controlled license branches. The license branches collect fees which fund the Motor Vehicles Commission. The license branches collect and forward county taxes (excise tax, wheel tax, and surtax) and state fees. The Commission has one contractual branch that is administered by an individual contractor according to Bureau policies. The Commission has developed a mobile license branch to serve the need of CDL license issuance and other special needs as they arise.

#### Note 2. Collections and Distributions

Each branch collects fees and taxes when vehicle and watercraft registrations, titles and drivers licenses are sold. Fees are uniform throughout the state. The following taxes are collected by the branches: excise tax, surtax, wheel tax, and use tax.

The total daily collections are deposited to a single bank account. From this account the collections are distributed to separate bank accounts which are not controlled by the license branch and belong to the state, county and Bureau of Motor Vehicles Commission.

#### Note 3. Banking System

The Bureau of Motor Vehicles Commission has entered into an agreement with Bank One for a cash concentration system. The system utilizes a series of individual noninterest bearing accounts (clearing accounts) from which all fees and taxes are transferred.

#### BANK ACCOUNT RECONCILEMENT

The bank account was reconciled as of December 31, 2003, and the bank balance exceeded the book balance by \$712.38. Further investigation by the Branch Manager determined the variance was caused by mispostings in the branch journal. The account was corrected in February 2004.

All accounts are required to be balanced on a monthly basis. All unidentified cash shortages and overages of twenty dollars or more must be reported to Branch Operations before the next Trial Balance is performed. #### **State Board of Accounts:**

This letter is in reference to the RV plates 16636-16753 that were allocated to Fishers #057 at the start of 2003 by the BMV warehouse.

Fishers never received the above plates. We have no consignment sheets showing that we received these plates or any order forms stating that we ordered them.

We have done extensive research and have not found any proof that these plates were sent to the Fishers Branch, #057.

The BMV warehouse has no record of them being shipped to the Fishers Branch or being received by the Fishers Branch.

As Manager, I feel that these plates should not be included in the report That was just completed.

Sincerely:

Patricia France, Manager

Fishers License Branch #057
